

Hidden Histories

UNCOVERING THE LIFE HISTORIES OF LATE-DIAGNOSED AUTISTIC ADULTS

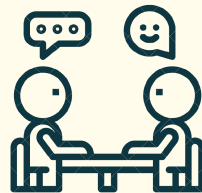

SESSION 1

25-30 MINS
GETTING TO
KNOW YOU

- give details about what is involved
- get your consent to take part
- talk about how we can support you through the process
- answer some questions about your background

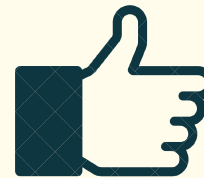

SESSION 2

1-2 HOURS
THE MAIN
INTERVIEW

- ask you questions about your life both before and after your autism diagnosis
- possibly share personal objects or photos that are important to you
- held face-to-face or online

SESSION 3

25-30 MINS
FINALISING
YOUR
INTERVIEW

- check and sign-off your typed-up interview
- re-check your consent to take part
- re-check how you would like your interview to be made available

SESSION 4

15 MINS
FOLLOW-UP
QUESTIONS

- ask you questions about how you felt telling your life history
